

Philadelphia Mini Maker Faire®

Call For Student Makers!

Maker Faire is the Greatest Show & Tell on Earth - a family-friendly showcase of invention, creativity, and resourcefulness! Robotics, interactive art, VR, electronics, textiles, fashion, biotech, performance, film-making, rocketry, 3D printing, green technology, inventions, metal-smithing, glass-working, toys and anything else fun and interesting.

- 1. Get an idea.**
- 2. Write down your idea & fill out the form.**
- 3. We'll get in touch!**
We'll help you submit the formal maker application this summer
- 4. Make it!**

On October 6th: Show it! Share it! Tell your story! Meet other makers!
